Birko Urn - 30 litre

These top quality urns have become proven performers all around the world because they are safe, reliable, long-lasting and great value. The Birko 30 litre Urn has a top quality chrome plated brass tap body. It's durable and low maintenance, made of polished stainless steel with welded joints for superior corrosion resistance and effortless cleaning. It has a simmerstat temperature control, which has variable settings. Plus Hi and Low settings for greater control over the boiling water. For added safety the Birko 30 litre Urn has a cut-out switch that turns off the power if the urn boils dry, while a non-drip tap prevents accidents and mess. The Birko 30 litre Urn has all that you need. Including an indicator light, water level gauge, heat-resistant knobs and lifting handles.
