Birko Mini Urn

Designed to suit the needs of canteens, cafés, bistros and takeaway stores, the Birko Mini Urn is a safe and reliable solution for serving a range of hot food and beverages. This Urn is versatile, suiting a range of food and drinks and comes standard with an egg poaching accessory and removable power cord. The Birko Mini Urn is practical with a stainless steel body for easy cleaning and durability. The unique all-round lip enables pouring from any angle without dripping. The Birko Mini Urn's safe and smart design features a sealed element and intelligent thermostat with automatic boil-dry protection.
