THERAPEUTICS

M3 Professional Massager

Our high quality massagers are ideal for use by chiropractors, remedial therapists, osteopaths, sports and occupational therapists working in a professional environment or nursing home. The circular action massages and invigorates the patient's muscles, increasing blood circulation and preparing the patient for further muscle work.

- Easy to use - sturdy design applies pressure with minimal effort
- Works the entire body in 15 minutes
- Alleviates muscle tension and soreness
- Powerful motor delivers 500 pulses per minute
- Two power settings to adjust vibration intensity
- Ideal low impact massage therapy for the elderly
- Vinyl pad allows for the option of attaching plastic and hygiene wrap
- First time in Australia
- One year replacement warranty
- Heavy Duty Solid Handles with rubber grips
- Comfortable, soft and sturdy padding
